3 The amount of endowment promised by the donor, the late Mr. Polepalli Narasimhayya Setty is Rs.25,000/- ; out of which Rs.10,000/- was paid for the first time and Rs.2,000/- being the accumulated interest thereon was added to the corpus thus raising it to Rs.12,000/-. The balance of Rs.13,000/- has not been paid so far.

4 This endowment was accepted by Government in the year 1910 and therefore comes under para 2 of G.O. No.Fl.4002-51 G F.36-18-14 dated 8-1-1920 as an endowment offered prior to G.O. of 30th July 1917, and accepted under G.O. of 15-7-1909 thus becoming eligible for the increased rates.

5 But as the condition imposed in para 3 of the same G.O. has not been fulfilled, the increased rate, cannot, I think, be allowed till the promised of the donor is fulfilled and the balance is paid.

7 The Government Order of 1910 accepting the endo ment does not specifically say that the -- amount promised was Rs.25,000/-. It merely --- mentions that the donor wants to add to the 10 thousand and limits the addition up to 25 thousand and it also sanctions interest on the amount paid. I am not sure if there is any binding promise. In these circumstances 5% interest may be allowed on the endowment. I may add that the party has -- since presented a petition stating that though he cannot enhance the endowment in cash at present he would place in charge of the Kuzrai Department 3 shops worth 5 thousand rupees and yielding Rs.28 rent p.m. and that he would add some more immovable properties worth Rs.8 thousand, to make up the whole endowment Rs.25 thousand, with in a course of three years until which time he proposes to bear the -- feeding charges himself.
